

Enrolling in eStatements is easy! Simply follow these steps:

- Go to www.CincinnatiFederal.com
- Log into Internet Banking as you typically would. If you are not enrolled in Internet Banking currently, click Enroll Now at the top right of the screen and follow the prompts.
- Once you have logged in, click on the account you would like to enroll in eStatements. On this screen, click the green Documents button above Account Information.
- A new internet window will open stating that if you proceed you will be changing your current statement delivery type. In order to continue, click Yes.
- This will then take you to the disclosure agreement which you must accept in order to continue. To accept you will have to enter a Confirmation Code. You will get this code by clicking on the PDF Document link above the Confirmation Code box towards the bottom of the screen. This will open a PDF, the Confirmation Code will be at the top and there will be a sample statement for your viewing. Either copy and paste this code or type it into the Confirmation Code box at the bottom of the previous screen and click I Agree.
- You will now see a list of all of your accounts that are able to receive eStatements.

Congratulations!
You are now enrolled in eStatements!
